A DRAM GOOD TIME

Forever in search of great tasting whisk(e)y and the moment and the people to share it.

To share the flavours we've discovered, how they made us feel, and to help you explore your own taste we've bottled this limited edition whisky. We love it and hope you will too! Pour yourself a drink, get your lips around the glass and join us for 'A Dram Good Time'.
Simon and Franchi x

Our whiskies celebrate an emotion, feeling or occasion, the sort we all experience when we enjoy the great taste of whisky.

We release our whiskies in pairs. 'Save The World' is the fifth Simon one.

Its name was inspired by the oft spoken notion of 'Saving The World'. Maybe whilst relaxing with a whisky we can ponder the small steps we can take today leading to the bigger steps we can take tomorrow.

Coming all the way from the island of Islay in Scotland, Save The World is bottled at natural cask strength and is best enjoyed (in our opinion) in slow sips, whilst saving the world.

Whisky specifics:

In terms of the whisky itself, you should find most of the information you need below. If you still have any questions you can call us on 00 44 7939 035 389 or email info@simplywhisky.com

Name: Save the world

Who it's for: When we hand selected the whisky and chose the casks for maturation we had in mind existing whisky drinkers looking to further their passion. More specifically, kindred spirits who love life, and can relate to a moment, a time, an emotion, a feeling...the sort we all experience when we come together to enjoy the great taste of whisky. If that's not you, why not give it a go anyway? (If you are of legal drinking age in your country).
